

THE CHOICE PROJECT

# ACCESS TO BIRTH CONTROL

Have you received birth control in  
the last 2 years in South Carolina?

---

If so, you can receive up to \$55 for telling us  
about your experience.

Complete this 5 question survey to learn more:

SCREENING SURVEY

The purpose of The Choice Project is to interview women, ages 18-44, who have received birth control in South Carolina in the last 2 years to assess their experience with their provider and their satisfaction with the birth control method that they are using. Woman will receive a \$25 gift card for participating and \$55 for couples.
